- (3) Affect any violation thereof or penalty, forfeiture or punishment incurred in respect thereto, prior to the amendment or repeal;

(ORC 1.51)

- (c) (1) If ordinances enacted at different meetings of Council are irreconcilable, the ordinance latest in date of enactment prevails.

If the amendments are substantively irreconcilable, the latest in date of enactment prevails. The fact that a later amendment restates language deleted by an earlier amendment, or fails to include language inserted by an earlier amendment, does not of itself make the amendments irreconcilable. Amendments are irreconcilable only when changes made by each cannot reasonably be put into simultaneous operation. (ORC 1.52)

(b) An ordinance is presumed to be prospective in its operation unless expressly made retrospective. (ORC 1.48)

(c) If an ordinance is ambiguous, the court, in determining the intention of Council may consider among other matters:

- (1) The object sought to be attained;
 - (2) The circumstances under which the ordinance was enacted;
 - (3) The legislative history;
 - (4) The common law or former legislative provisions, including laws upon the same or similar subjects;
 - (5) The consequences of a particular construction;
 - (6) The administrative construction of the ordinance.
- (ORC 1.49)

101.08 SEVERABILITY.

If any provision of a section of the Codified Ordinances or the application thereof to any person or circumstance is held invalid, the invalidity does not affect the other provisions or applications of the section or related sections which can be given effect without the invalid provision or application, and to this end the provisions are severable. (ORC 1.50)

101.99 GENERAL PENALTY.

Whenever, in the Codified Ordinances or in any ordinance of the Municipality, any act is prohibited or is made or declared to be unlawful or an offense or a misdemeanor, or whenever the doing of any act is required or the failure to do any act is declared to be unlawful, where no specific penalty is otherwise provided, whoever violates any such provision shall be punished by a fine not exceeding one hundred dollars (\$100.00). CHAPTER 105
Public Records Policy

105.01	Public records.	105.03	Costs for public records.
105.02	Record requests.	105.04	E-mail.

105.01 PUBLIC RECORDS.

(a) In accordance with the Ohio Revised Code and applicable judicial decisions, records are defined as any item that:

- (1) Contains information stored on a fixed medium (such as paper, electronic, including but not limited to email, and other formats);
- (2) Is created or received by, or sent under the jurisdiction of a public office and
- (3) Documents the organization, functions, policies, decisions, procedures, operations or other activities of the office.

(b) Public records are to be open to the public at all reasonable times with exceptions only as provided for in the law.

- (1) As required by Ohio law, records will be organized and maintained so that they are readily available for inspection and copying within a reasonable period of time during regular business hours. Record retention schedules are to be updated regularly.
(Res. 2007-112. Passed 10-2-07.)

105.02 RECORD REQUESTS.

Each request for public records should be evaluated for a response using the following guidelines:

- (a) Although no specific language is required to make a request, the requester must at least identify the records requested with sufficient clarity to allow the public office to identify, retrieve and review the records. If it is not clear what records are being sought, the records custodian may contact the requester for clarification, and should let the requestor revise the request by informing the requestor of the manner in which the office keeps its records.
- (b) The requester does not have to put a records request in writing, and does not have to provide his or her identity or the intended use of the requested public record. It is this office's general policy that if this information is requested upon disclosure that the requester may decline to give the information.

- (c) Public records that are requested are to be available for inspection during regular business hours, with the exception of published holidays. Public records must be made available for inspection promptly. Copies of public records must be made available within a reasonable period of time. "Prompt" and "reasonable" take into account the volume of records requested; the proximity of the location where the records are stored; and the necessity for any legal review of the records requested.
- (d) Each request should be evaluated for an estimated length of time required to gather the records.
- (e) Any denial of public records requested must include an explanation, including legal authority. If portions of a record are public and portions are exempt, the exempt portions are to be redacted and the rest released. If there are redactions, each redaction must be accompanied by a supporting explanation, including legal authority.
(Res. 2007-112. Passed 10-2-07.)

105.03 COSTS FOR PUBLIC RECORDS.

Those seeking public records will be charged only the actual cost of making copies.

- (a) There will be a charge for copies.
- (b) The charge for downloaded computer files to a compact disc is one dollar (\$1.00) per disc.
- (c) There is no charge for documents e-mailed.

(Res. 2007-112. Passed 10-2-07.)

105.04 E-MAIL.

(a) Records in private e-mail accounts used to conduct public business are subject to disclosure, and all employees or representatives of this office are instructed to retain their e-mails that relate to public business (see 105.01 Public Records) and to copy them to their business e-mail accounts and/or to the office's records custodian.

(b) The records custodian is to treat the e-mails from private accounts as records of the public office, filing them in the appropriate way, retaining them per established schedules and making them available for inspection and copying in accordance with the Public Records Act.

TITLE SEVEN - Judicial
Chap. 161. Mayor's Court

CHAPTER 161
Mayor's Court

161.01 Computer Fund.
161.02 Magistrate.

161.03 Clerk.

EDITOR'S NOTE: The Mayor has jurisdiction to hear and determine any prosecution for the violation of a Municipal ordinance, and has jurisdiction in all criminal causes involving moving traffic violations occurring on State highways located within the corporate limits, subject to the right of the defendant to trial by jury and before an impartial magistrate.

Ohio R.C. 2945.17 provides that an accused has a right to be tried by a jury at any trial in any court for the violation of any Ohio statute or of any Municipal ordinance, except in cases in which the penalty involved does not exceed a fine of one hundred dollars (\$100.00). Ohio R.C. 2937.08 and Criminal Rule 23(A) provide that if the court in which a defendant is charged with an offense is not a court of record (the Mayor's Court), and the charge is such that a right to a jury trial exists, such matter shall not be tried before him and shall be transferred to a court of record in the County if the defendant:

- (a) Does not waive his right to trial by jury in a serious offense case for which the penalty established by laws includes confinement for more than six months, or
- (b) Demands a jury trial in a petty offense case in which the penalty prescribed is a fine greater than one hundred dollars (\$100.00) and/or imprisonment for not more than six months. "Such demand must be in writing and filed with the clerk of court not less than ten days prior to the date set for trial, or on or before the third day following receipt of notice of the date set for trial, whichever is later. Failure to demand a jury trial as provided in this subdivision is a complete waiver of the right thereto."

In Ward v. Village of Monroeville, Ohio, 93 S. Ct. 80 (1972), the United States Supreme Court held that where the mayor before whom the defendant was compelled to stand trial was responsible for municipal finances and the mayor's court provided a substantial portion of municipal revenues, defendant was denied a trial before a disinterested and impartial magistrate as guaranteed by the due process clause of the United States Constitution.

The Supreme Court of Ohio has adopted the "Ohio Traffic Rules" which prescribe the procedure to be followed in the Mayor's Court in traffic cases. Rule 9(A) thereof states the jury demand shall be made pursuant to Criminal Rule 23 referred to above. Rule 9(B) sets forth the conditions under which the Mayor may hear a traffic case incorporating therein the holding in Ward v. Village of Monroeville as further interpreted in State, ex rel. Brockman v. Procter, 35 Ohio St. 2d 79 (1973): "Where, in a mayor's court, a defendant is entitled to a jury trial and a jury demand is made pursuant to Criminal Rule 23, the Mayor shall transfer the case pursuant to subdivision (C). If a jury demand is not made pursuant to Criminal Rule 23, and (or?) the defendant waives his right to jury trial in writing, a mayor may try the case if (1) his compensation as a judge is not directly dependent upon criminal case convictions, or (2) he is not the chief executive and administrative officer of the municipality and as such responsible for the financial condition of the municipality. Guilty and no contest pleas may be taken by any mayor including mayors whose compensation as a judge is directly dependent upon criminal case convictions and mayors who as chief executive and administrative officer of the municipality are responsible for the financial condition of the municipality."

The procedure for transferring a case to a court of record is set forth in Rule 9(C): "Where a transfer is required, the mayor's court shall make a written order directing the defendant to appear at the transferee court, continuing the same bail, if any, and making appearance before the transferee court a condition of bail, if any. Upon transfer, the mayor's court shall transmit to the clerk of the transferee court the ticket and all other papers in the case, and any bail taken in the case. Upon receipt of such papers the clerk of the transferee court shall set the case for trial and shall notify the defendant by ordinary mail of his trial date."

Rule 13 provides that a court shall establish a traffic violation bureau and specifies certain restrictions as to the designated offenses and schedule of fines to be accepted as waiver payment in lieu of court appearance.

171.04 DETERMINATION OF ALLOCATION OF TAX.

(a) Method of Determination. In the taxation of income which is subject to the Village income taxes if the books and records of a taxpayer conducting a business or profession both within and without the boundaries of the Village, shall disclose with reasonable accuracy what portion of its net profit is attributable to that part of the business or profession conducted within the boundaries of the Village, then only such portion shall be considered as having a taxable situs in the Village for the purposes of municipal income taxation. The portion of the entire net profits of a taxpayer to be allocated as having been derived from within the Village, in the absence of actual records thereof, shall be determined as follows:

Multiply the entire net profits by a business allocation percentage to be determined by a three-factor formula of property, payroll and sales, each of which shall be given equal weight, as follows:

- (1) The average net book value of the real and tangible personal property owned or used by the taxpayer in the business or profession in the Village during the taxable period to the average net book value of all the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.
As used in the preceding paragraph, real property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight.
- (2) Wages, salaries and other compensation paid during the taxable period to persons employed in the business or profession for services performed in the Village to wages, salaries and other compensation paid during the same period to persons employed in the business or profession, wherever their services are performed.
- (3) Gross receipts of the business or profession from sales made and services performed during the taxable period in the Village to gross receipts of the business or profession during the same period from sales and services, wherever made or performed.

In the event that the foregoing allocation formula does not produce an equitable result, another basis may, under uniform regulations, be substituted so as to produce such result.

(b) Sales Made in the Village. As used in Section 171.04(a)(3) hereof, "sales made in the Village" means:

- (1) All sales of tangible personal property which is delivered within the Village regardless of where title passes if shipped or delivered from a stock of goods within the Village.
- (2) All sales of tangible personal property which is delivered within the Village regardless of where title passes even though transported from a point outside the Village if the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within the Village and the sales result from such solicitation or promotion.
- (3) All sales of tangible personal property which is shipped from a place within the Village to purchasers outside the Village regardless of where title passes if the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.

(c) Total Allocation. Add together the percentages determined in accordance with Sections 171.04(a)(1), (2) and (3), or such of the aforesaid percentages as are applicable to the particular taxpayer and divide the total so obtained by the number of percentages used in deriving the total in order to obtain the business allocation percentages referred to in Section 171.04(a).

A factor is applicable even though it may be allocable entirely in or outside the Village.

(d) Rentals.
