

# FAIRPORT HARBOR POLICE DEPARTMENT

## MONTHLY COUNCIL REPORT

*David Koran, Chief of Police*

JANUARY 2025

### CALL STATS – MONTHLY ACTIVITY

SEE THE CALL FOR SERVICE SHEET ATTACHED: Total Calls 12/1/2024-12/31/2024 **(495)**

### EQUIPMENT / MOTOR VEHICLES

#### FLEET AND PATROL VEHICLES:

- **Unit 780 – 2021 Tahoe** : IN SERVICE
- **Unit 781 – 2021 Tahoe**: OUT OF SERVICE (See Notes)
- **Unit 782 – 2015 Interceptor**: IN SERVICE
- **Unit 783 – 2018 Interceptor**: IN SERVICE
- **Unit 787 - 2016 EZ-Go**: SPECIAL EVENTS / DETAILS
- **Unit 788 – 2014 Interceptor**: CHIEF'S VEHICLE / SPECIAL EVENTS
- **Unit 789 – 2011 Charger**: AUXILIARY / SRO USE

**NOTES:** Unit 781 – Had a major engine issue. Classic GMC completed warranty work, which involved the replacement of a lifter rod, camshaft, and transmission parts.

#### EQUIPMENT:

We have just purchased an additional TASER X26P (non-lethal) device from AXON. The new TASER was a replacement for one that is no longer functioning, and since the devices are near the end of life, according to the manufacturer, we will continue to keep ours in working order as long as we can as a cost-effective measure.

Our current stock of radios to communicate with Central Dispatch and other agencies in need of additional security software added to them, according to the State of Ohio Marcs Radio System. This addition is called Linklayer and will be added to the radios at a cost of \$5,050.00 at Painesville Communications. The bulk of the funds were allocated last year through a portion of our remaining ARPPA funding. Several Lake County law enforcement agencies opted to buy new radios with this additional security. Our department could not afford this purchase and decided to add the feature to our current radios instead. I should note that our radios are already 12 years old and near the end of support. Not replacing them now and adding the feature through software programming was a cost-effective

measure. The cost of (1) replacement radio is near the cost of the entire programming to update all the radio units.

## EMPLOYEE ACTIONS / TRAINING

- PTL. Hernandez resigned recently and accepted a full-time position with East Cleveland PD. We wish Brandon the best of luck with his future endeavors.
- Ptl. Ochsner, who was part-time with our department, had also recently resigned. Ptl. Ochsner took a full-time position with Madison last year and stayed with our agency for a short period under part-time status. We wish Kyle the best of luck with his future endeavors.
- All Officers have completed mandatory CPT training through OPOTC. We will soon start the new 2025 mandatory hours.

## COMMUNITY POLICING OTHER DEPT. ACTIONS

### SNOW/ICE INCIDENTS:

Our department called out the snow crews on four occasions for plowing. Officers also issued a total of 6 snow ban parking tickets in December and, to this date, 39 in January.

### OTHER NOTABLE EVENTS:

Our department did not see an increased number of incidents around the New Year's holiday. Weather may have contributed to this.

End of year total of calls (Dispatched / Self Assigned) 2024 **(6734)**.

### COMMUNITY POLICING

The police and fire departments participated in the annual Santa visits to McKinley Elementary, Harding High School, and the Senior Center. Village Admin Lukas Darling also accompanied us.

SRO Medina and Aux. Officer Padilla participated in Shop with a Cop, sponsored by ESC of the Western Reserve. Our officers participated alongside a few other Lake County PDs to make this a fantastic event for the children.

#### ADMINISTRATIVE ACTIONS:

Many law enforcement agencies have switched to a 12-hour working shift format for years to accompany the new work-life balance environment. The police departments that have made these shift changes have seen success in recruiting and retaining current officers. In the past, the department had employed a 10-hour shift structure, but due to our current available roster of employees, this would not be possible to return to. However, the 12-hour shift scheme is a better fit for our operation.

Respectfully submitted by:
